

World's First Invention Capture & Patenting Hackathon

Invention is an idea executed & innovation is the same with a purpose. **Learn** to orient your invention to innovation and the tools for the same through this hackathon. You get to **draft your provisional patent, capture your invention, find opportunities** and tools to emulate the technical effect, novelty, inventive step & also showcase the economic significance. This approach proven to improve not only grant of a patent when complete specification is filed, but **facilitates securing grants**, enabling **technology licensing**, securing **financing for the startup** associated with the invention.

Startups/ industry/ faculty: They will get to draft provisional patent for their own research/ problem statement.

Students: Will be taught from problem selection to idea generation to researching the solution to drafting provisional patent.

The Trainer, Dr Phani Kumar Pullela, a President of India awardee for DBT Biotech Product, Process Development and Commercialization Award in the year 2017.

The **rewards** for participating in the Hackathon galore with a **medal**, carrying **drafted provisional patent & a chance to win patent drafting & filing opportunity** (3 patent drafting, filing & publication awards totaling worth **Rs 2,10,000/-** from one of the India's reputed deep tech Patent agents).

ABOUT THE TRAINERS

Adv. Pranav Bhat

Advocate Pranav Bhat is a skilled patent agent with a background in Electronics and Communication Engineering and over nine years of experience in intellectual property management. He specializes in patent drafting, filing, and prosecution, working with over 50+ institutions and 200 startups. Pranav provides strategic guidance to inventors, helping them secure grants, license technology, and maximize the value of their intellectual property. Partnering with Dr. Phani Kumar Pullela, he ensures high-quality patent applications and practical solutions across diverse engineering and scientific domains.

Adv. Amin Sharan Kumar

Adv. Amin Sharan Kumar, a skilled law graduate, is known for his precision in handling legal documents and expertise in intellectual property management. Trained by Dr. Phani Kumar Pullela, he excels in patent processing, form filing, grant applications, and licensing agreements. Amin ensures that all patents comply with the Patent Act, with a meticulous eye for detail. His systematic approach and dedication to accuracy make him a valuable asset in the field of intellectual property, guiding innovators through patent filing and legal compliance.

Dr. Phani Kumar Pullela

President Of India Award

Dr. Phani Kumar Pullela is a distinguished Professor and Associate Dean at RV University, renowned innovator, and mentor in intellectual property and technology development. A recipient of the 2017 President of India Award for DBT Biotech Product, Process Development, and Commercialization, Dr. Pullela has filed over 100 patents and licensed 17+ technologies. He has mentored 19 successful startups, bridging academia, entrepreneurship, and industry. His expertise in patent drafting, novelty capture, and IP strategy helps inventors turn ideas into impactful innovations. Join the world's first "Invention Capture & Patenting Hackathon" to gain hands-on skills and guidance from a globally recognized expert.

In 2024, An **Astraea Solutions** received the **Karnataka Elevate Grant** for **Geographical Indication research**, while **Experiminds** secured the same for **patented mathematical toys and rural education tools**. **Dr. Phani Kumar Pullela** renowned for mentoring IP-driven startups, has guided many to achieve grants and awards for innovative solutions.

PATENT YOUR INVENTION

AN ENTREPRENEUR'S HACKATHON

Learn, Draft, and Prepare the Provisional Patent in just 3 days!

28th to 29th Dec - Workshop & 30th Dec - Prize Distribution

Worth Rs. 90,000/-

Patent drafted and filed by Renowned Patent Agent Adv. Pranav Bhat

Worth Rs. 60,000/-

Patent drafting and support by Adv. Amin Sharan and filed by patent agent

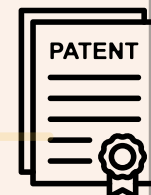

Worth Rs. 60,000/-

Patent drafted by Dr. Phani Kumar Pullela and filed by patent agent

Invention capture, Provisional Patent drafting workbook, Course completion Certificate & Medal for every successful participant and Best drafted Patent award for every vertical (AI/ML/DL/Cyber Security/SAAS/IOT/Healthcare/Mobile/Web/Finance/Agri/ Tourism etc)

Registration Fee :
Rs. 7999/-
85% Off Rs. 999/-
(For Students with valid ID card)

Rs. 999/-
(Startups/Industry/ Researcher)

Schedule Overview:

Day-01

28
Dec

RV University
Seminar Hall, B Block, 2nd Floor
09:00AM- 5:00 PM

- 8:30 AM - 9:00 AM: Check-in
- 9:00 AM - 1:00 PM:

Session 1: Principles of Design Thinking by Panchatantra

- Coffee Break

Session 2: One-on-one session with patent attorneys and agents to review the invention's potential, discuss best practices for grant opportunities, awards, further research, and available resources.

Session 3: Design Thinking, Invention & Innovation

- Lunch Break

Session 4: Intellectual Property Types, Patents & Quiz

- Short Break

Session 5: Drafting Societal/Application Patents & Deep Tech Patents

- 5:00 PM: Check-out

Complimentary snacks and coffee will be provided. Lunch is not included.

Day-02

29
Dec

Bharatiya Vidya Bhavan
Race Course Road, Bangalore
09:00AM- 5:00 PM

- 8:30 AM - 9:00 AM: Check-in
- 9:00 AM - 1:00 PM:

Session 1: Principles of Design Thinking by Panchatantra

- Coffee Break

Session 2: One-on-one session with patent attorneys and agents to review the invention's potential, discuss best practices for grant opportunities, awards, further research, and available resources.

Session 3: Design Thinking, Invention & Innovation

- Lunch Break

Session 4: Intellectual Property Types, Patents & Quiz

- Short Break

Session 5: Drafting Societal/Application Patents & Deep Tech Patents

- 5:00 PM: Check-out

Complimentary snacks and coffee will be provided. Lunch is not included.

Day-03

30
Dec

Bharatiya Vidya Bhavan
Race Course Road, Bangalore
04:00PM- 6:00 PM

Prize Distribution Ceremony

- 4:00 PM to 6:00 PM:
- Review of drafted provisional patent and checklist for complete specification to advance the invention.
- Awarding of Completion Medal and Vertical Prizes to the top 3 winners.
- Discussion on drafted patent specification and critical actions for progressing to technology licensing and grants.

Note: On both, 28th December & 29th December, programs schedule will be same. So, choose date wisely.

1. What is the event about?

- A 3-day hackathon to draft and file provisional patents with expert guidance.

2. Who can participate?

- Students, startups, industry professionals, and faculty.

3. Do I need prior knowledge of patents?

- No, the event is beginner-friendly and guides participants from problem selection to patent drafting.

4. What will I learn?

- Drafting and filing a provisional patent.
- Identifying opportunities for funding and licensing.
- Basics of innovation protection and startup financing.

5. What if I don't have an invention idea?

- Trainers will guide you through idea generation and problem selection.

6. Can I participate as a team?

- Yes, you can join individually or as a team.

7. What are the rewards?

- Provisional patent drafting.
- Funding up to ₹2,00,000.
- Publication opportunities in global journals.

8. What is the fee structure?

- Students: ₹999/- (with valid ID card)
- Startups/Industry: ₹7,999/-

9. Will I get a certificate?

- Yes, all participants receive a completion certificate.

10. How will this benefit my startup or research?

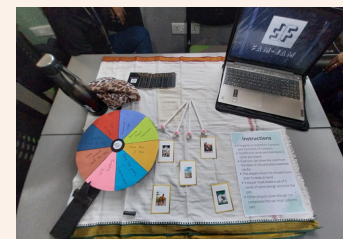

- Helps secure provisional patents to protect ideas.
- Facilitates grants, funding, and technology licensing.

11. How do I register?

- Scan the registration QR code to complete registration.

12. What happens after I file my patent?

- You'll receive guidance on moving toward a full patent and further commercialization.
